ABOUT THE EVENT :

The persons with disabilities (PwDs) especially youth/ children with disabilities have inner potential in performing art music, dance, sports and other recreational activities. However, many of them are deprived of getting opportunities to showcase their talent and skills. A need has been felt to create a platform to enable them to showcase their abilities in these fields, which will not only build self confidence among them and will create awareness among parents and public at large to showcase their abilities, rights and government schemes.

Towards this endeavor, the Department had organised two cultural evening programmes titled "Divya Kala Shakti: Witnessing abilities in Disabilities' on 18.04.2019 and 13.07.2019. While the first programme was held before Hon'ble President of India at Rashtrapati Bhawan Cultural Centre (RBCC), the latter was held before Hon'ble President of India, Vice President, Prime Minister, Speaker of Lok Sabha, Council of Minister, MPs, Secretaries of Government of India at Balayogi Auditorium, Parliament House Library Building, New Delhi.

In these programmes, about 150 youth/children with disabilities performed dance & music and left the dignitaries spellbound. Hon'ble President of India advised this Department to take this programme further to sensitize state authorities & other stakeholders to create better understanding across the country, through national/regional level as well as State level programmes.

The next event has been scheduled on 17th December 2022 at Guwahati with the same aims and objectives by inviting artists with disabilities from north-eastern states of India, the detailed application procedure along with application form are enclosed herewith for kind reference.

Eligibility for participation :

Any child/ youth with disability who have previously participated and performed at School/ District/ State level programmes can apply in the prescribed format. Application along with demo video clip must reach before last date as specified before.
